

Remembering Brownie

The Mike Brown, Jr. Memorial Golf Outing was begun in 2003 to honor the memory of "Brownie", who lost his life at the age of 18 on September 20, 2002.

Mike had lots of favorite things, but he mostly enjoyed helping others. He was a typical young guy who loved to eat, sleep, play sports, hang out with his friends, and spend time with his brother and sister; but he was also a very remarkable young man who touched many lives. Mike was a referee for local basketball groups and an umpire for Little League teams. He was a very proud member of the Crown Point Civil Defense, and his goal was to eventually work for the FBI or in some field of criminal justice where he could help others. Mike was studying criminal justice at Indiana University Northwest and working at UPS to help pay his way through college when he was taken in a tragic car accident on his way home from work. In the ultimate act of giving and helping others, Mike passed along the gift of life to four individuals who were waiting for life-saving transplants.

The gift of life...

The family of Bob Roen will be forever grateful to the Brown family. It was through the Browns' love, generosity, and caring for others in life and death that gave Bob a 2nd chance at life. Mike donated his organs so others could live. Bob was the fortunate one to receive Mike's heart.

Although Bob lost his battle with heart disease in November 2009, he spent the last 7 years of his life telling Mike's story, raising scholarship funds, and promoting an awareness of organ donation. Supporting the Mike Brown Jr. Scholarship Fund helps us all feel the joy that Mike and Bob felt by giving. Your donation will help give the young people of Crown Point the opportunity to pursue higher educational quests, just as Mike was doing at the time of his death.

Be like Mike... please give from the bottom of your heart!
